### **DETAILED ACTION**

1. Applicant's May 17, 2004 Amendment and REMARKS have been reviewed. The previous Office Action is withdrawn pursuant thereto.

#### ***Specification***

2. Applicant's Abstract has been received on May 17, 2004 and is acceptable.

#### ***Drawings***

3. The drawings received February 17, 2004 are acceptable.

#### ***Claim Rejections - 35 USC § 103***

4. Claims 1-12 are rejected under 35 U.S.C. 103(a) as being unpatentable over Green et al., US 5,664,110.

Green discloses a client terminal, e.g. 10, to access products using a device, e.g. 12, a notes field, e.g. Fig. 9, a financial application, e.g. 30, where a transaction data order may be initiated via an order icon, e.g. 72 (inherently from a graphical user interface (GUI), e.g. Figs. 3, 6) and a credit card like element, e.g. 80, may be used.

Green does not specifically disclose a commercial web server. It is noted that commercial web servers are common knowledge in the art. To have provided a common knowledge financial management application and/or a commercial web server capable of conducting on-line financial transaction and causing a terminal to render the GUI for Green would have been obvious to one of ordinary skill in the art. Doing such would implement common knowledge systems with the purchasing ordering system of Green. Regarding the referral aspect of claims 9-11, Green provides user profiles for such from merchant databases 14, e.g. col. 10, that meet in broad scope and content the inventive concept recited.

8. Further pertinent references of interest are noted on the attached PTO-892.

### ***Conclusion***

9. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO**

MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
